**\*\*Students who meet the admissions criteria and complete the coursework outlined below in their first year at JCCC will be eligible to transfer to KU and remain on track to graduate in 4 years for the Interior Architecture, BS degree.\*\***

The Associate of Arts degree (A.A.) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the A.A. may select courses that satisfy both the A.A. degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The elective hours within the A.A. allow students to complete additional general education and lower division courses required for specific majors. The A.A. degree requires completion of 60 credit hours; please see [JCCC A.A. degree requirements](#). The maximum number of hours from a community college that will be applied toward a bachelor's degree at most four-year schools is between 60 and 64 credit hours or 50% of the degree. Meeting with a JCCC counselor is strongly recommended for selection of appropriate courses. Contact Jonathan Miller, JCCC Architecture Chair & Professor, at [jmill157@jccc.edu](mailto:jmill157@jccc.edu).

The School of Architecture & Design offers a Bachelor of Science in Interior Architecture degree. It is unique among interior architecture programs in that it draws upon the nationally-recognized strengths of Arc/D's architecture, visual communication, and industrial design programs. The program has been designed to fit within the School's accredited Master of Architecture degree. Students who are admitted to the B.S. of Interior Architecture & Design curriculum are also admitted to the Master of Architecture program. With less than two years of additional courses, they will complete the requirements for an innovative, joint B.S. of Interior Architecture & Design–Master of Architecture degree. Students who meet the admissions criteria and complete the coursework outlined below in their first year at JCCC will be eligible to transfer to KU and remain on track to graduate in 4 years.

- All prospective students must complete the online [University of Kansas application](#). This application serves as the application for admission to KU, [University Scholarships](#), and the Interior Architecture program. To schedule a campus tour, contact the Office of Admissions at 785-864-5135 or visit their website at: <https://admissions.ku.edu>.
- In addition, students must submit an [Interior Architecture Interest Profile](#) to be considered for admission.
- Transfer students must have a minimum cumulative GPA of 3.5 or higher from all college or university coursework, including KU. Applicants must have grades of "C" or better in all non-studio-based courses with grades of "B" or better in studio-based courses. Placement is also based on available space.
- Please send your official transcript to KU: Office of Admissions, Attn: Application Processing, 1502 Iowa Street, Lawrence, KS 66045, or electronically through an authorized transcript vendor to [emprocessing@ku.edu](mailto:emprocessing@ku.edu).
- To apply, visit <https://admissions.ku.edu/apply>. Applications for admission for transfer students must be received by the KU School of Architecture and Design by October 1 for spring admission, or by February 1 for summer or fall admission.
- A total of 120 credit hours is required for the B.S. in Interior Architecture.
- Effective Fall 2024: Students transferring to KU, with an AA, AFA or AS degree from JCCC will be considered to have satisfied KU's Core 34 general education curriculum.
- Effective Fall 2024: Students who transfer to KU, without completing AA, AFA or AS degree will have courses evaluated on a course-by-course basis toward meeting KU requirements. To learn more about courses that satisfy KU Core 34 requirements visit: <https://catalog.ku.edu/core34/> and <https://credittransfer.ku.edu/>
- KU's Core 34 General Education guide can be found here: <https://www.jccc.edu/student-resources/transfer/files/transfer-guides/ku-core-requirements.pdf>
- The curriculum below meets the requirement for the one-year JCCC Architecture transfer program, to the 4-year Interior Architecture degree at the KU School of Architecture, Design & Planning. **This list is a suggested sequence of courses. These courses may be taken at any time; however, students should complete these courses before transferring to KU Interior Architecture to stay on track with the first-year program.**

**It is the STUDENT'S RESPONSIBILITY to check for updates to all transfer information. This transfer guide is provided as a service and is updated as needed. Degree requirements at the four-year colleges are subject to change by those institutions. To ensure you have the most accurate up to date information about the program, it is imperative you meet with an advisor at the transfer institution.**
